EXPERIENCE

Business Intelligence Manager

06/2022 - Present

Global FP&A, Internal Audit

Palm Beach Gardens, FL

Carrier

- Spearhead the Finance Transformation Automation & Analytics team, setting the strategic vision for enterprise-wide analytics and automation initiatives across the finance organization
- Direct a global, cross-functional team of developers to design and deploy Analytics, RPA and AI solutions for Internal Audit, improving operational efficiency and reducing processes by up to 40%
- Lead the development of continuous monitoring solutions for enterprise transactional data across SAP S/4HANA, SAP Concur T&E, Oracle HFM, Audit Board and ServiceNow, enabling earlier risk detection, possible fraud, and proactive issue resolution
- Implement automation of high-volume finance processes via the Microsoft Power Platform, streamlining internal processes and reducing manual workload by hundreds of hours annually
- Oversee the Analytics & AI Training and Development Program for Internal Auditors, delivering 200+ training hours and achieving an 80% participation rate, significantly increasing analytics adoption and data literacy across the function

Finance Specialist

08/2019 – 06/2022

Internal Audit

Palm Beach Gardens, FL

Carrier

- Led Financial and Operations audits, Management Assistance Review projects and Forensic investigations, assessed control design and operational effectiveness to identify gaps and potential fraud to strengthen internal governance
- Developed detailed process maps of key financial, business, and operational workflows, highlighting opportunities to optimize efficiency and mitigate risk
- Delivered clear, concise audit reports and presentations to executive leadership, providing data-driven conclusions and strategic recommendations for improvement

Financial Leadership Program Associate

07/2017 – 08/2019

United Technologies

Various locations

- Rotated through various FP&A, Operations and Accounting roles in Connecticut, Arkansas, North Carolina and the United Kingdom, assisting in the development, preparation, and consolidation of monthly financial forecast and annual plans
